CITE CIA/IAS 6664.

WE HAVE REVIEWED YOUR DRAWING OF THE SS-N-3 NAVAL MISSILE VARIANT (DRAWING NO. 69D1012) DATED 8 MAY 1969. A COMPARISON WITH A DRAWING PREPARED BY NPIC FOR IAS IN RESPONSE TO A DIRECT REQUIREMENT REVEALS SEVERAL MAJOR DIFFERENCES INCLUDING: 1) WING SPAN, 2) LOCATION OF WING, 3) LOCATION OF MAIN ENGINE INTAKE AND 4) SIZE AND SHAPE OF BOOSTER.

NPIC PHOTOGRAMMETRISTS WILL BE VISITING FTD ON 29 JULY AND COULD BE PREPARED TO INCLUDE THIS ITEM IN THEIR DISCUSSIONS IF YOU SO DESIRE.
